NTWSA Committee: Conflict of Interest Policy

The standard of behaviour at the NTWSA is that all staff, volunteers and Committee members avoid conflicts of interest between the interests of the NTWSA on the one hand, and personal, professional, and business interests on the other. This includes avoiding potential and actual conflicts of interest, as well as perceptions of conflicts of interest.

I understand that the purposes of this policy are to protect the integrity of the NTWSA decision-making process and business judgments, to enable our constituencies to have confidence in our integrity, and to protect the reputations of volunteers, staff and Committee members. Upon or before election, hiring or appointment, I will make a full, written disclosure of interests, relationships, and holdings that could potentially result in a conflict of interest. This written disclosure will be kept on file and I will update it as appropriate.

In the course of meetings or activities, I will disclose any interests in a transaction or decision where I (including my business or other non-profit affiliations), my family and/or my significant other, employer, or close associates will receive a benefit or gain. After disclosure, I understand that I will be asked to leave the room for the discussion and will not be permitted to vote on the question.

I understand that this policy is meant to supplement good judgment, and I will respect its spirit as well as its wording.
